CONDITIONS

1. Every entry shall constitute an agreement that the person making it shall be subject to the rules and regulations of the Bryn Mawr Hound Show Committee. The decision of the Committee on all questions arising therefrom shall be final. In the case of differences between Prize List and Show Catalogue, the Catalogue supersedes.
2. All hounds entered for competition must be in their kennels in the show yard by 8:30 a.m. on the morning they are to be judged. All divisions shall begin judging promptly at 9:00 a.m. Kennels must be vacated by noon on the day following the show. Transportation is not available.
3. A master by making entries in this show thereby certifies that the entries shown in the unentered classes are hounds whelped after the first of December two years prior to the current year which are fully intended to be entered hounds at the proper time, and that hounds in entered classes are hunted in a regular and systematic manner. All unentered hounds must be listed under the name of the hunt that is showing them.
4. The entry fee is \$10.00 per entry, except the pack class, which is \$20.00, however total entry fees are capped at \$150.00 per hunt. There is no entrance fee for substitute hounds nor is there an entrance fee for the junior handlers class. The kennel fee is \$25.00 per kennel. Entry and kennel fees are due and payable at the time of entry submission.
5. Each exhibiting pack will be allowed a maximum of five substitute hounds, provided that each substitute hound has been so named as a possible substitute on the substitute entry form received by the Entry Secretary one hour prior to the start of Judging. This form can be mailed or e-mailed in advance and changed on the show day. The Entry Secretary must be advised of any class substitution changes at least 30 minutes prior to the start of judging.
6. There shall be no post entries except in specified classes. Such post entries must be entirely made up of hounds entered in another class in the catalogue or listed as substitute hounds as per 5 above.
7. Entries are limited to not more than five in unentered classes and three in entered classes (except as noted in Beagle, Basset, and Penn-Marydel divisions). All hounds must be named with date of entry for entered hounds, and name and date of entry for sire and dam, as they appear in the stud books of the Masters of Foxhounds Association, Penn-Marydel Foxhounds Inc. or the National Beagle Club, and must be the property of packs recognized or registered by those organizations.
8. Entered foxhounds must have been accepted by the keeper of the Stud Book of the Master of Foxhounds Association (or the keeper of the Stud Book of Penn-Marydel Foxhounds, Inc., for the Penn-Marydel division), and unentered foxhounds must be eligible for acceptance by the keeper of the Stud Book. In the English ring, foxhounds drafted from other hunts can be shown in all classes. In all other foxhound rings, not excepted by the committee, foxhounds drafted from other hunts, with the exception of unentered hounds, can be shown only in the stallion hound or brood bitch classes. Drafted foxhounds from all rings, however, may participate in the Pack Class.
9. Only winners of the unentered, entered, stallion and brood bitch classes are eligible for the champion class. If a winner of a first prize in a class at a prior show of the current year enters the same class at this show that is canceled for lack of competition, it is eligible to compete in the champion class for winners of that canceled class. A hound that has won a championship at a previous Bryn Mawr Hound Show may not compete in the entered dog or entered bitch class of its division. Said hound may compete in the stallion, brood bitch, stallion with get, brood bitch with produce and the dog or bitch champion class of its division. Entries must be made for these classes prior to closing date. (With exceptions as agreed between the Penn-Marydel division and the Committee. Also excepted as noted in the Beagle and Basset Divisions.) A hound that is placed second in a class that qualifies the winner for a champion class may compete for the reserve champion.
10. In the event of only one exhibiting pack entering a class, ribbons and trophies may be awarded but no points will be awarded towards the huntsman's prize. Unless there are three or more entries from two exhibiting packs in a class, no points will be awarded towards the huntsman's prize to the second place exhibitors, but ribbons may be awarded.
11. In the pack class, the individual hounds need not be named (see Penn-Marydel condition in regard to registration number). In the stallion with get, bitch with produce and two couple hounds classes, the hounds need not be named. In all except the pack class, however, the hounds must be entered in another class in the catalogue or be listed as substitute hounds in the catalogue.
12. Hunt personnel shall wear kennel coats except in pack class where hunt livery is required. Hunt personnel showing packs are limited to a huntsman and one whipper-in.
13. Huntsman cash prizes of one hundred dollars (\$100.00) first and fifty dollars (\$50.00) for second shall be given to the huntsman of each hound division winning the most "points" in Competition. No "points" will be awarded to hounds removed from the judging area prior to being excused by the judge.
Points will be awarded as follows:

CHAMPION.....	5	RESERVE CHAMPION.....	4
PACK Class – First.....	10	OTHER Classes – First.....	3
– Second.....	6	– Second.....	2
– Third.....	4	– Third.....	1
14. To be eligible for a huntsman's prize, exhibitors must show in the pack class. The huntsman's cash prize will be awarded following the pack class, the results of which will be included in the determination.
