

BRYN MAWR HOUND SHOW 2003 RESULTS

The 2003 Bryn Mawr Hound Show, held Saturday May 31, was a great success. The overall quality of the entries were excellent and the numbers of packs and hounds have increased over prior years. There were 40 packs entered in the show, and on the day of the event, more than 565 hounds were exhibited. The number of spectators has also increased and the social events were sold out, with 185 people attending the Friday evening pre-Show Dinner and 165 people attending the Luncheon on the day of the show. We were also very fortunate with the weather. The temperature remained cool and although storms were predicted, most of the rain held off until late afternoon when all the judging was completed. This year the show honored Benjamin H. Hardaway, III, M.F.H. with the Julian M. Marshall award for his life long contribution to the breeding and development of the modern Cross-bred Foxhound.

The date of next year's Show, held on the grounds of the Radnor Hunt, will be Saturday, June 5, 2004. Since the show was founded in 1914, we are excited that the next show represents our 90th year. The committee looks forward to welcoming exhibitors and spectators for an anniversary celebration.
